

1-Door Refrigerator Non Plumbed Dispenser 375L

Price: Rs. 278,999.00 (Original Price: Rs. 328,999.00 - Save Rs. 50,000.00)

Features

- **More space inside (Large capacity in cabinet fit)** Has a large capacity, but in a cabinet fit design that will fit harmoniously into your existing kitchen. There's plenty of room to store your weekly grocery shopping, and it's much easier to keep everything neatly and efficiently organized, so you can quickly find and take out the things you need. Actual capacity may vary according to specification of each models
- **No more frost & ice (No Frost)** No frost technology enhances the circulation of air to maintain a constant temperature in every corner of the refrigerator, which prevents the build up of frost and ice. It also reaches the target temperature much faster, increases the cooling systems durability, and avoids wasting power on defrost.
- **Cools every corner (All-around Cooling)** The All-around Cooling system continually monitors any temperature fluctuation and cools the fridge evenly from corner to corner. Cold air is blown out through multiple vents on every shelf level to create a multi-directional airflow, so it maintains a constant temperature and food stays fresher.
- **Fast cool & freeze (Power Cool and Power Freeze)** Delivers a rapid cooling performance to chill beverages and create ice. At the touch of a button, Power Cool blows intensely cold air into the fridge, so food and drinks are quickly chilled. And Power Freeze is great for freezing or firming up frozen food, like ice cream, and making more ice.
- **Elegantly harmonious (Flat & Cabinet Design)** A Flat & Cabinet Fit design creates a completely harmonious look that upgrades your whole kitchen. It fits seamlessly with the surface of your existing furniture, and it's flat front doesn't stick out, so you can freely open the door and use the drawers without being obstructed by the side wall.
- **Control anywhere (Wi-Fi Embedded (Optional))** Monitor and control your refrigerator anytime, anywhere. With the embedded Wi-Fi, you can keep track of its status using the SmartThings App. You can easily control its Rapid Cooling modes, check the temperature, and get alerts if the door is left open. It will also detect and diagnose issues. Available on Android and iOS devices. A Wi-Fi connection is required.
- **Long-lasting and efficient compressor (Digital Inverter Technology)** Enjoy greater energy efficiency, less noise and a long-lasting performance. The Digital Inverter Compressor automatically adjusts its speed in response to cooling demand. So it is quieter, uses much less power and keeps working for longer, backed-up by a 10 year warranty on the compressor. 10 year warranty is limited to the compressor only.
- **Easily store & reach (Slide-in Shelf)** Reaching into your fridge often means navigating an obstacle course of items, but the Slide-in Shelf simply slides in and out. So you can efficiently store, organize and access your food – quickly and easily finding and reaching things at the back and in every corner, with no "dead space".

- **Fit more in the door (Adjustable Door Bin)** Fitting large or oddly shaped items into the fridge can be a challenge. So an Adjustable Bin in the door helps you easily organize and flexibly store more and different sized items. You can adjust the space to accommodate all sizes of bottles, cartons and other items and ensure they stay in place.
- **Brilliantly bright (Stage Lighting)** The ultra bright Stage Lighting in the top and sides of fridge brilliantly illuminates every corner. It's also more energy efficient and slimmer than conventional lighting, which saves money and creates extra space for food. And it generates a softer light that is more comfortable on your eyes.
- **Optimal humidity (Humidity Control Vegetable Box)** The Humidity Control Vegetable Box keeps even more fruits and vegetables fresh for a long time, especially as it's large enough to store bulky items. It continually adjusts the moisture level to maintain the optimal humidity by automatically opening and closing a vent to hold in or release moisture.

Specifications

Overview

- **Net Total Liter:** 375 ℓ
- **Net Width Mm:** 595 mm
- **Net Case Height With Hinge Mm:** 1853 mm
- **Cooling Type:** All-Around Cooling
- **Net Weight Kg:** 71 kg
- **Net Depth With Door Handle Mm:** 694 mm

Capacity

- **Net Total Liter:** 375 ℓ
- **Gross Total Liter:** 390 ℓ

Physical Specification

- **Net Width Mm:** 595 mm
- **Net Case Height With Hinge Mm:** 1853 mm
- **Net Case Height Without Hinge Mm:** 1853 mm
- **Net Depth With Door Handle Mm:** 694 mm
- **Net Depth Without Door Handle Mm:** 644 mm
- **Net Depth Without Door Mm:** 575 mm
- **Packing Width Mm:** 646 mm
- **Packing Height Mm:** 1950 mm
- **Packing Depth Mm:** 760 mm
- **Net Weight Kg:** 71 kg
- **Packing Weight Kg:** 76 kg
- **20 40 40H Container:** 24/54/72

Cooling Feature

- **Cooling Type:** All-Around Cooling

Refrigerator Feature

- **Number Of Shelf Total:** 6 EA
- **Number Of Shelf Foldable:** 1 EA
- **Dairy Compartment:** Yes
- **Wine Rack:** No
- **Take Out Tray:** No
- **Number Of Door Pocket:** 7 EA
- **Egg Container Egg Tray:** Yes
- **Interior Led Light:** Yes
- **Hot Stamping:** No
- **Number Of Vegetable Fruit Drawer:** 2 EA
- **Power Cool Function:** Yes

General Feature

- **Door Reversible:** Yes
- **Door Alarm:** Yes
- **Refrigerant:** R600a
- **Lock And Key:** Yes
- **Smart:** Dongle-Ready

Exterior Feature

- **Dispenser Type:** Yes
- **Display Type:** External(Silver)
- **Door Handle:** Easy Open Handle
- **Color:** Refined Steel

Performance

- **Energy Efficiency Class:** A+
- **Noise Level:** 39 dBA
- **Vacation Mode:** Yes

Reviews

1. The flat cabinet design is absolutely stunning; it sits flush with my kitchen cabinets and looks incredibly modern in the Refined Steel finish. The non-plumbed water dispenser is a total game-changer since we didn't have to worry about calling a plumber to run a water line. (5 stars, posted 2 months ago)
2. For a single-door fridge, it holds a massive amount of groceries. The slide-in shelf and adjustable door bins make organizing tall juice bottles and condiments so much easier. It does make a very faint humming sound when the compressor kicks in, but the Digital Inverter is mostly very quiet. (4 stars, posted 5 months ago)
3. Excellent cooling performance. The all-around cooling keeps my vegetables crisp in the humidity box for over a week, and I love the bright stage lighting inside. Having a lock and key is also a nice bonus feature for peace of mind. (5 stars, posted 3 weeks ago)
